

STOP BANKING THE BOMB, MOVE YOUR MONEY!

PNC invests in nuclear weapons. Until they agree to stop, don't bank with PNC!

Here are some resources to help you move your money from banks that invest in nuclear weapons:

Find a Credit Union near you: culookup.com or a Community Development Credit Union: cdcu.coop

On average, credit unions offer higher saving interest rates and lower loan interest rates than regular banks. Credit unions also usually charge lower fees and require lower deposit balances.

Find a Community Bank near you: icba.org

Community banks help drive local economies and create local jobs. Community banks make more than 50 percent of small business loans.
